Catholics call their priests "Father" because in all matters pertaining to Christ's holy faith they perform the duties of a father, representing God. The priest is the agent of the Christian's supernatural birth and sustenance in the world. "Father" is a title which does not conflict in the slightest with Matthew 23:9.

Graham Priest presents an original exploration of philosophical questions concerning the one and the many. He covers a wide range of issues in metaphysics--including unity, identity, grounding, mereology, universals, being, intentionality, and nothingness--and deploys the techniques of paraconsistent logic in order to offer a radically new treatment of unity.
