### **List of serial killers by country - Wikipedia**

A serial killer is typically a person who murders three or more people, with the murders taking place over more than a month and including a significant period of time between them. The Federal Bureau of Investigation (FBI) defines serial killing as "a series of two or more murders, committed as separate events, usually, but not always, by one offender acting alone".

Discussion Questions: Select questions that are appropriate for your students. 1. What does respect mean?

Suggested Response: One definition is "esteem for or a sense of the worth or excellence of a person."

Teachers can guide the discussion toward the idea that there are two different parts of the concept of respect.
