A poet is a person who creates poetry. Poets may describe themselves as such or be described as such by others. A poet may simply be a writer of poetry, or may perform their art to an audience.

Poet - Wikipedia

The cavalier poets was a school of English poets of the 17th century, that came from the classes that supported King Charles I during the English Civil War (1642–1651). Charles, a connoisseur of the fine arts, supported poets who created the art he craved. These poets in turn grouped themselves with the King and his service, thus becoming Cavalier Poets.
