Varieties. Female masking is a form of cross-dressing in which men wear masks that present them as female. Sometimes either member of a heterosexual couple will cross-dress in order to arouse the other. For example, the male might wear skirts or lingerie and/or the female will wear boxers or other male clothing.

### **Cross-dressing - Wikipedia**

There are two goals for presenting this article. The first goal is to consider socialized gender roles, clinical treatment, and strategic marriage therapy and to present a case study detailing the progression of counseling with a cross-dressing client with the spouse.

### **A Case Study of Cross-Dressing: Using a Strategic Therapy**

Many people have engaged in cross-dressing during wartime under various circumstances and for various motives. This has been especially true of women, whether while serving as a soldier in otherwise all-male armies, while protecting themselves or disguising their identity in dangerous circumstances, or for other purposes.

### **List of wartime cross-dressers - Wikipedia**

They vary in how completely they cross-dress, from one article of clothing to fully cross-dressing. Those who cross-dress are usually comfortable with their assigned sex and do not wish to change it. Cross-dressing is a form of gender expression and is not necessarily tied to erotic activity. Cross-dressing is not indicative of sexual orientation.
