The infinite monkey theorem and its associated imagery is considered a popular and proverbial illustration of the mathematics of probability, widely known to the general public because of its transmission through popular culture rather than because of its transmission via the classroom.. However, this popularity as either presented to or taken in the public's mind often oversimplifies or ...

William Lane Craig is a prolific Christian philosopher, apologist, author, and public debater. He is the best debater â€” on any topic â€” that Iâ€™ve ever heard. As far as I can tell, he has won nearly all his debates with atheists. When debating him, atheists have consistently failed to put forward solid arguments, and consistently failed to point out the flaws in Craigâ€™s arguments.
