The family Anatidae was introduced by the English zoologist William Elford Leach in a guide to the contents of the British Museum published in 1820. While the status of the Anatidae as a family is straightforward, and which species properly belong to it is little debated, the relationships of the different tribes and subfamilies within it are poorly understood.

Nigerian English, also known as Nigerian Standard English, is a dialect of English spoken in Nigeria. It is based on British English; but in recent years, it has been influenced by American English from the United States of America, and some words of American English origin have made it into Nigerian English. Examples include shorts. Additionally, some new words and collocations have emerged ...
