Despite the fact that most people with serious mental illnesses are never violent, and 95-97% of gun violence
is not caused by a mental illness,[i] the involvement of people with acute mental illnesses in some recent
incidents of mass gun violence has become a significant issue in American society ...

Position Statement 72: Violence: Community Mental Health

Ansel Easton Adams (February 20, 1902 â€“ April 22, 1984) was an American landscape photographer and
environmentalist known for his black-and-white images of the American West.. Adams helped found the
anti-pictorialist Group f/64, an association of photographers advocating "pure" photography that favored
sharp focus and the use of the full tonal range of a photograph.

Over the last year, there has been a torrent of articles on neoconservatism raising (usually implicitly) some
difficult issues: Are neoconservatives different from other conservatives?

1. Adversity. In 2013, the United States reached an educational milestone. For the first time, a majority of the country's public school students—51 percent of them, to be precise—fell below the federal government's threshold for being "low income," meaning they were eligible for a free or subsidized school lunch.
