'Form' and 'function' are two extremely important concepts that you need to know about to fully understand how grammar works. Surprisingly, there is no overt reference to these terms in the UK National Curriculum. 'Form' refers to the category labels we use for the building blocks of grammar, i.e. word classes, phrases, and clauses.

UNDERSTANDING THE BASICS OF ENGLISH GRAMMAR ANALYSIS LEVEL, LABEL, AND FUNCTION  
"Grammar," which comes from Latin, means the scientific study of the form and arrangement of words, phrases, and sentences. Every language has a grammar (even if that language is not written); every language has its own patterns.

### **3 A Skeletal Introduction to English Grammar**

A language function explains why someone says something. For example, if you are teaching a class you'll have to give instructions. "Giving Instructions" is the language function. Language functions then require certain grammar. To use our example, giving instructions requires the use of the imperative.

Grammar: Tenses: forms-signals-functions on the web-site for teachers and learners of English as a secondary language from a German point of view

### **Grammar: Tenses: forms, signal words, functions**

Grammatical functions in the clause The description of word classes , phrases , and clauses in terms of their structure is part of the study of form . We now turn to the study of grammar from the perspective of function : this notion refers to what words, phrases and clauses do as units of language.

### **Grammatical functions in the clause | Englicious.org**

The Structure of English is unique in its focus on function (grammatical and discourse) as opposed to form, although form is addressed too. This characteristic reflects the philosophy that an understanding of discourse functions better enables teachers to see what's behind the grammar so that they can then teach it effectively to their students.

are far fewer structure-class words than form-class words; but there are no easy formal tests to identify them, and, since they themselves help determine function, functional tests are of limited value. In general, it is necessary to memorise lists of words that belong to the various parts of speech in the structure-class category.
