

the last camel died pdf

Management project. The Australian Feral Camel Management Project was established in 2009. It was managed by Ninti One Limited in Alice Springs funded with A\$ 19 million from the Australian Government. It aimed to work with landholders to build their capacity to manage feral camels while reducing impacts at key environmental and cultural sites.

Australian feral camel - Wikipedia

The United States Camel Corps was a mid-19th-century experiment by the United States Army in using camels as pack animals in the Southwestern United States. While the camels proved to be hardy and well suited to travel through the region, the Army declined to adopt them for military use. The Civil War interfered with the experiment and it was eventually abandoned; the animals were sold at auction.
