

### **the new testament history pdf**

At first blush it might seem perfectly obvious what "New Testament history" is and what the contents of a book about New Testament his-tory would contain. On closer inspection this is not the case. Are we talking about a history of the New Testament documents themselves, or perhaps a history of the times in which the New Testament books were ...

Old Testament in its later parts is a subject on which much more work remains to be done; it forms the first chapter in the history of Old Testament interpretation. Similarly the first chapter of a history of New Testament interpretation should be devoted to a study of the interpretation of earlier parts of the New Testament in its later parts. I.

A Study of New Testament History Overview Introduction: The Name: The book is most commonly called "The Acts of the Apostles," although it is quite probable that, in its original form, it had no title at all. Over the centuries it has been called simply "Acts," or "The Acts" (Eusebius). This title "The Acts of the Apostles"
