At the Other End of Innovation The focus on innovation, and the ever-faster introduction of products, is building larger and more complex product portfolios. At the "Other end of innovation" we find that many companies are not managing to phase-out old, low volume or low margin products at the same pace that new products are added.

The Other End of the Leash demonstrates how even the slightest changes in your voice and the way you stand can help your dog understand what you want. Once you start to think about your own behavior from the perspective of your dog, you'll understand why much of what appears to be doggy-disobedience is simply a case of miscommunication.
