The Law of Peoples is the solution to this problem. It consists of eight principles: 1. Peoples are free and independent, and their freedom and in-dependence are to be respected by other peoples. 2. Peoples are to observe treaties and undertakings. 3. Peoples are equal and are parties to the agreements that bind them. 4.

"The Law of Peoples" forges principle from excuses of intellectual snobbery and self-righteousness. Help those who can be helped, and stop those who cannot stop themselves. This is the Grand Escalante of political philosophy applied to international relations, and essential reading for any serious student of political theory.

The Law of Peoples with The Idea of Public Reason

The Law of Peoples seems likely to reframe the debate about what is possible in the international realm. In contrast to the chastened, inward gaze of most 20th-century thought, Rawls's book is one of those rare works of philosophy that directs its energies outward.

The Law of Peoples: With "The Idea of Public Reason

At the People's Law Practice everyone is a VIP. From the initial meeting to the conclusion of the case, each client works directly with an attorney. Clients are given their attorney's cell phone number at the initial meeting. The client's attorney makes all of the legal decisions and does all of the legal work on the client's case.
