Management Science Introduces Fast Track Submission Process. Recently, the editorial board of Management Science introduced Fast Track, a submission process designed to attract short papers with high quality, original and high-impact research that is of broad interest, analogous to what might appear in Science, Nature, or PNAS.

Management Science

Scientific management. Its main objective is improving economic efficiency, especially labour productivity. It was one of the earliest attempts to apply science to the engineering of processes and to management. Scientific management is sometimes known as Taylorism after its founder, Frederick Winslow Taylor.
