

the unmasking unlocking the pdf

Although Unmasked marked a major musical departure for the band, it still reached #35 on the US Billboard chart and was certified gold by the RIAA on July 30, 1980.. One year after their last tour, which was somewhat a disaster, Criss was fired from the band due to his erratic behavior. Unmasked was the first album that failed to reach platinum status since 1976's Destroyer.
