

### **the war on drugs pdf**

The war on drugs is a campaign, led by the U.S. federal government, of drug prohibition, military aid, and military intervention, with the stated aim being to reduce the illegal drug trade in the United States. The initiative includes a set of drug policies that are intended to discourage the production, distribution, and consumption of psychoactive drugs that the participating governments and ...

Members of the armed forces are not immune to the substance use problems that affect the rest of society. Although illicit drug use is lower among U.S. military personnel than among civilians, heavy alcohol and tobacco use, and especially prescription drug abuse, are much more prevalent and are on the rise.
