Current – Zulu – Military Time, Time Zone - Time and Date

Tense and Time It is important not to confuse the name of a verb tense with the way we use it to talk about time . For example, a present tense does not always refer to present time :

Tense and Time | Grammar | EnglishClub

Time management is essential for maximum health and personal effectiveness. The degree to which you feel in control of your time and your life is a major determinant of your level of inner peace, harmony, and mental well-being. A feeling of being – out of control – of your time is the major source of stress, anxiety, and depression.
