

times higher education abroad pdf

India's higher education system is the third largest in the world, next to the United States and China. The main governing body at the tertiary level is the University Grants Commission, which enforces its standards, advises the government, and helps coordinate between the centre and the state. Accreditation for higher learning is overseen by 15 autonomous institutions established by the ...

Oklahoma State Regents for Higher Education | Welcome

Education in India is provided by public schools (controlled and funded by three levels: central, state and local) and private schools. Under various articles of the Indian Constitution, free and compulsory education is provided as a fundamental right to children between the ages of 6 and 14. The approximate ratio of public schools to private schools in India is 7:5.
