Tax-Related Matters. Two kinds of tax-exempt accounts help people save money for health expenses and may help you cover the costs of some complementary health approaches. The flexible spending arrangement is a benefit offered by some employers; it allows you to set aside pretax dollars (generally, each pay period) for health-related expenses. The health savings account is for people who ...

A hearth tax was a property tax in certain countries during the medieval and early modern period, levied on each hearth, thus by proxy on each family unit. It was calculated based on the number of hearths, or fireplaces, within a municipal area. Hearth tax was levied in the Byzantine Empire from the 9th century, France and England from the 14th century, and finally in England, Scotland and ...

A poll tax, also known as head tax or capitation, is a tax levied as a fixed sum on every liable individual. Head taxes were important sources of revenue for many governments from ancient times until the 19th century. In the United Kingdom, poll taxes were levied by the governments of John of Gaunt in the 14th century, Charles II in the 17th and Margaret Thatcher in the 20th century.
